

FOREIGN EDITIONS

This is a list of foreign editions of Ayn Rand’s works of which ARI is aware. Readers are encouraged to search used-book outlets for items that have gone out of print. **This list is updated as of December 19, 2023.**

Native speakers have reported that some foreign editions are not faithful translations. We are unable to evaluate the quality of translations and therefore do not recommend any particular book.

Leonard Peikoff, Ayn Rand’s literary executor, has requested that we post the following notice:

“Under certain circumstances, rights are granted to publish Miss Rand’s work in foreign language editions. However, we have no power to choose the translators or to evaluate the quality of their work. We cannot, therefore, be held responsible for poor or inaccurate translations.”

| Language | Title | Publishing Information | ISBN |
|-----------|--|------------------------|---|
| Albanian | Revolta e Atlasit (<i>Atlas Shrugged</i>) (3 vols.) | BotimePegi | 978-9928-162-14-4 978-9928-162-33-5 978-9928-162-53-3 |
